

# Social Distancing Floor Stickers (8 pk) for internal usage

Our Social Distancing Floor Stickers are printed onto a high grab vinyl that will stick to all types of internal flooring including tiles, carpet & vinyl. The adhesive is removable and won't leave a sticky residue when removed. The print is protected with an anti-slip matt laminate. The stickers can also be applied to walls and windows. Bespoke colours/text/logos are available upon request.

Material:

Size - 300mm x 300mm

Vinyl - 90 micron matt opaque polymeric vinyl film coated with high tack removable (HTR) solvent acrylic pressure sensitive adhesive.

Laminate - 125 micron clear matt polypropylene film with a textured lustre finish that eliminates some glare and provides a very pleasing finish.
